Applicant's Confirmation

The statements in the fields with the gray background are herewith released for publication (particularly in a list of commercial products approved for organic food).
Electronic transmission of the data constitutes release.

The applicant assures all parties that the product submitted by itself is approved for the intended market use in the context of organic food processing pursuant to Regulation (EC) 834/2007. The Undersigned is bound to this confirmation until cancelled, at least until the expiration of the validity period of the FiBL List of Products for Organic Processing on 28 February 2012. The applicant confirms that its statements are correct and undertakes to inform FiBL Germany [FiBL Deutschland e.V.] promptly of any changes. Should the applicant become aware of any circumstances indicating that the confirmation will not be complied with during this period, it shall notify FiBL Germany of the circumstances indicating that the statements are incorrect or have become incorrect.
